

HML offers Quantity Surveying & Cost Management services using the *SMM7 British Standards*. Our Quantity Surveying team is managed by Tim Cross, (RICS Member) and is the only team in Estonia to offer Quantity Surveying/Cost Estimation, as a service to clients in the Baltics, Ireland & UK. In Estonia, Tim recently completed the costings on Linnahall's €100m makeover and plans are in place for the next phase of this unique, iconic project.

*'Reconstruction of the long-abandoned Linnahall entertainment arena in Tallinn's port area is expected to be completed in 2019 at a total cost exceeding 100 million euros'*
